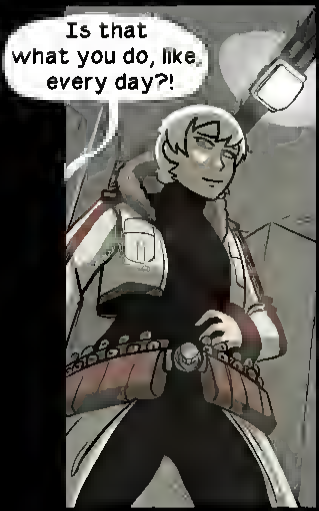
THE SWORD INTERVAL

BY BEN FLEUTER

Sigh...
Torrez. You okay?
whew!

That...
was...

AWESOME!



Is that what you do, like, every day?!

Hey!
Smith! I quit!
And
I'm keeping
the bat!

I can't believe you guys!
I can't believe Atlas was *spying* on me this whole time!

It was for your own safety Ms. Torrez.

My name is *not* Torrez, and you *know* that!
It's Barros! *Fall Barros!*
And what about you, huh? Got a real name?

That's classified.
This is agent Osric Hult.
Hey!

Does my roommate know, Osric?
Well she...
Does Jan know? Or did you hook up with her just to spy on me?
...

Oh my god, you did. You're going to tell her, got it?
You're gonna tell her the truth or so help me–
Fall.

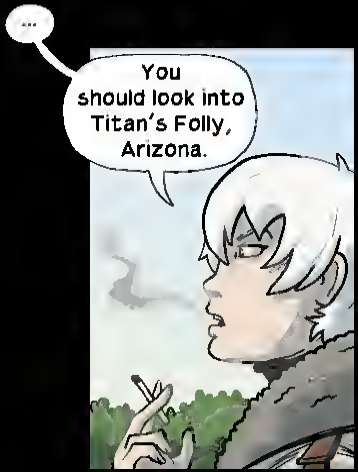
We have to consider relocating you again.

...No
No?
I'm done hiding.

I just stopped a monster from doing the same to someone else as...
...as what happened to me and my folks.

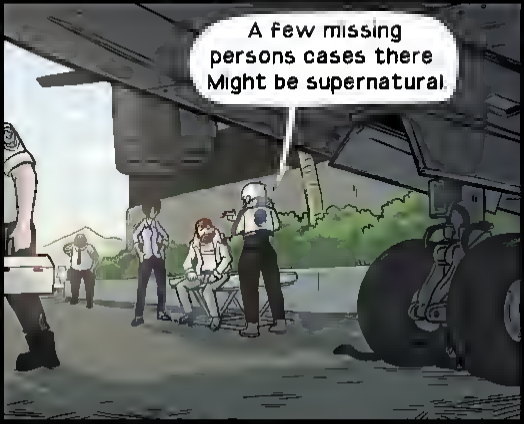
I saved *lives* today. I want to keep doing that. And if that draws the Hierophant to me... then *good*.
Saves me the trouble of finding him.

You can't do that! Atlas will never allow it!
Atlas doesn't get a say! Atlas doesn't *own* me!
Ivanova, help me out here!



...
You should look into Titan's Folly, Arizona.

Huh?



A few missing persons cases there Might be supernatural.
